Miss Missouri Debbie Turner, a mirimba-playing veterinary student from the University of Missouri, was crowned Miss America 1990.

A catastrophic earthquake rocked Northern California on October 17, killing at least 62 people and injuring hundreds, caving in bridges and freeways, igniting fires and causing widespread damage to buildings.

On November 9, 1989, East Germany lifted restriction on emigration and travel to the West, and within hours thousands of Germans celebrated on and around the Berlin Wall.

Miho Ishimine is our exchange student from Yokohama, Japan. She is seventeen years old and comes from a family of four. At home she is involved in gymnastics, volleyball, art, and singing. She has had a lot of fun in Proctor and wishes for all of her friends to keep her in their hearts, as they will be kept in hers. She also wishes to sincerely thank the McGanns and the Pendletons for all of their love and support.

VARSITY BOYS' SOCCER

The Junior High soccer team started out simply as a group of kids who enjoyed playing soccer, and ended up as a skilled team which worked together. This was made possible with the help of Coach Scott Lagone, as well as the team's determination to become better players. The results were definitely recognizable towards the end of the season, when they pulled off two wins, several close games, and lost in overtime. Many commented on the visible improvement of the team, and everyone is anxious to come out next year and improve even more. They really have the ability to become a winning team.

Back row: Mgr. E. McGann, T. McGee, P. Young, Z. Wojenski, C. Prescott, K. Franklin, M. MacDougall, S. Jacquith, D. Bell, D. Murdock, coach Lagone; front row: D. Rider, C. Buggiani, D. Rider, K. Elliot, K. Barrett, R. Grace, R. Buonadonna, J. Davine, G. Bell, B. Cupoli, C. Dufrense, S. Kuflik.
